Monday 11 June 2020 at 8.00pm at Church Stile in the garden**

Apologies

Miss Vicky Wood and Mr. Duncan Cowking

Planning

Lower Highfield

No objections were raised.

Black House

Comments were made in respect of the blue slate roof on the extension roof.

Clerk to contact the Planning Department to recommend that the extension roof be the same as the house now so that it is in keeping with the area.

Correspondence

Riverbank Tearooms

A letter of complaint has been received in respect of a Facebook post made on 1 June.

Discussions took place regarding the complaint and the way forward.

It was agreed by all in attendance that there was no need for Miss Vicky Wood to resign.

The Clerk is to make enquires with Ribble Valley Borough Council as to whether they would be prepared to install extra bins around the village green area because of the recent influx of additional visitors to the area and them leaving rubbish behind. If this is rejected by the Council then further discussions will need to take place as to whether the Parish Council should fund the cost of extra bins and their emptying.

It was also agreed that the Facebook page would be taken down to ensure that there could be no further misunderstandings.

The contents of the draft letter of response were agreed. The Clerk is to add in that the Parish Council will be making enquires with regard to extra bins

Any Other Business
