Matters Arising

B4RN

Mr. Edward Ireland attended at the meeting and updated the Council on the current position of the installation of broadbarn by B4RN to the area. The cabinet was due to be fitted that week at the village hall which will then be linked to Dunsop Bridge.

£175,000 has been invested, which means that the project can go ahead.

Councillor Elms confirmed that there may be grants available that could be applied for. Mr. Ireland will look in to this.

B4RN will be looking for volunteers in the future for digging gardens and for the installation of the home kits.

Any Other Business

A thank you is to be sent to David Smith thanking him for his assistance over the years.

There being no further business, the meeting closed at 8.00pm.
